Katherine Grove,

The Iowa Telecommunications and Technology Commission (ITTC) has approved Region 2's Regional Telecommunications Council (RTC) budget for expenditure of the first half of the FY 2014 educational support funds. To request release of the \$31,387.44, the RTC fiscal agent should send an invoice to Tammy Ranfeld, Iowa Communications Network, 400 East 14th Street, Des Moines, IA 50319. Along with the invoice, please also supply the attached budget approval page from the Commission. It will take approximately two weeks after we receive your invoice before a check can be issued.

The ITTC plans to acknowledge the second half of the RTC funds in the early 2014 timeframe, after receiving and reviewing the semi-annual RTC report.

If you have any questions please contact Lori Larsen at 515-725-4713.

Sincerely,

Dave Lingren

All responses are based on having the RTC fully appointed. Six members of the RTC must approve the plan.

☒ Yes

☐ No *(If no is checked, a brief explanation in the comments box must be provided.)*

COMMENTS: *(Space can also be used for percentage explanations outside of budgets.)*

Section B: There is a significant amount of support needed for the local area networks and Internet access at the area schools. The 50% of this budget allocated to that effort only minimally supports the staff time to provide those services.
Section A and C: The funds allocated only partially support the staff time required to support and maintain the aging ICN classrooms at the college, AEA and local schools.
